

# Granzyme B Research Tools

Cytotoxic T lymphocytes and natural killer (NK) cells are highly specialized effectors of the innate immune system that hold promise for adoptive cancer immunotherapy. Their cell killing activity is primarily mediated by the pro-apoptotic serine protease Granzyme B (GrB), which enters target cells with the help of the pore-forming protein perforin and capable of inducing rapid target cell death by apoptosis. BioVision offers a comprehensive collection of highly pure, active Granzyme B Recombinant Proteins, Assay Kits, ELISA Kits, Antibodies and Biochemicals for your research needs.

## Antibodies

| Product Name  | Cat. No. | Size          |
|---|----------|---------------|
| Granzyme A Antibody                                   | 6683     | 30 µg, 100 µg |
| Granzyme B Antibody                                   | 3073R    | 30 µg, 100 µg |
| Granzyme B Antibody (Clone B18.1)                     | 3073     | 100 µg        |
| Granzyme B Monoclonal Antibody                        | 3173     | 100 µg        |
| Proteinase Inhibitor 9 (PI9) Antibody                 | 3544R    | 30 µg, 100 µg |
| Proteinase Inhibitor 9 (PI-9) Antibody (Clone PI9-17) | 3544     | 100 µg        |

## Assay Kits

| Product Name                                      | Cat. No. | Size       |
|---|----------|------------|
| Granzyme B Inhibitor Screening Kit (Fluorometric) | K169     | 100 Assays |
| Granzyme B Activity Fluorometric Assay Kit        | K168     | 100 Assays |

## Biochemicals

| Product Name                                  | Cat. No. | Size          |
|---|----------|---------------|
| Granzyme B Inhibitor Ac-IEPD-CHO              | 1119     | 1 mg          |
| Granzyme B Inhibitor Z-AAD-CH <sub>2</sub> Cl | 1128     | 20 µl (10 mM) |

## ELISA Kits

| Product Name                 | Cat. No. | Size       |
|------------------------------|----------|------------|
| Granzyme B (human) ELISA Kit | K4279    | 100 Assays |

## Recombinant Proteins

| Product Name                                 | Cat. No. | Size  |
|--|----------|-------|
| Human CellExp™ Granzyme B, human recombinant | 7233     | 10 µg |
| Granzyme B, human recombinant (Insect)       | 4728     | 5 µg  |
| Granzyme B, Mouse recombinant (Insect)       | 7608     | 5 µg  |
